

Handy Dandy List

OF OUR FAVE FREE BIZ TOOLS

TOOL
One

Canva

Online drag-and-drop design tool to create social media posts, flyers, business cards and even logos! There are so many rad design templates to use, stock images and other cool design elements all built in.

TOOL
Two

Later

Our favourite desktop and mobile app to plan and schedule social media posts. An awesome user-interface and room to grow as your business levels up - their paid plans allow video and Instagram story scheduling.

TOOL
Three

WaveApps

Incredible invoicing and accounting software for every small (and medium) businesses. Create and send invoices, record payments and schedule automatic reminders on unpaid invoices all from one place.
